Ongoing items:

Parent Education – our event (Dr. Gabor Mate) for October 4th is sold out. The School District has kindly approved my request to open the parking at Windebank Elementary School that evening. An email is prepared to be sent out to attendees the day before the event with parking information, including the fact that there is some University parking from which people may be towed (the East Parking lot on campus).

Volunteers for education committee needed. Would like to send out a survey to parents on desired topics for upcoming events, plan an event for Feb / March. Any takers?
